Congratulations

Elections for the Chief Executive Election Committee took place yesterday. All the 15 members of the **Academics in Support of Democracy** were elected in the Higher Education Subsector with a high number of votes (see attachment for the numbers of votes obtained). They include four colleagues of our university - Dr. Michael De Golyer, Dr. Louis Leung Man Lay, Dr. Chan Ka Lok and Mr. To Yiu Ming.

Meanwhile, our union chairman Dr. Mark Li Kin Yin was also elected in the Social Welfare Subsector.

We congratulate the five heartily for being elected members of the Chief Executive Election Committee. We also give them our full backing to make additional efforts to advance democracy both on campus and outside so that university administration will become more transparent and civilized, and in line with social expectations.
